Writing Center

The Writing Center provides writing support to undergraduate and graduate students in one-on-one consultations and workshops. Writing tutors offer feedback and strategies to help students improve at every stage of their writing, from brainstorming to final drafts. Consultations are 45-minutes long and are conducted as one-on-one or group sessions. The Writing Center also provides feedback on personal statements and projects such as speeches and presentations.

Academic Resource Center (General Studies)

The Academic Resource Centre intervenes to help students at every stage of the academic life cycle, offering essential academic support that benefits all learners. It also helps students cultivate the skills necessary to manage competing demands, to deal with setbacks, and to approach challenging situations both in and beyond the classroom. These services include tutoring, reading and argument coaching, as well as individual consultations.
