

The Early Childhood Longitudinal Study [United States] (ECLS-K) uses many instruments to collect data. This document provides a complete list of the ECLS-K instruments indexed in the *Research Connections'* database. Every instrument is hyperlinked to its corresponding record and "X"s designate which cohorts they were used in. Other alpha characters represent the instruments' availability: OS = obtainable through the original source; RC = obtainable through *Research Connections*. While all instruments are listed, those instruments that are copyrighted are not available. To access a particular instrument, click on the appropriate link.

X = instrument used in the cohort
 OS = obtainable through the original source
 RC = obtainable through *Research Connections*
