Explorations in the Medical Humanities Series

December 11 – features Megan Coyer (Glasgow), a literary scholar and the author of *Literature and Medicine in the Nineteenth-Century Periodical Press* (2017). Cristobal Silva responds and Arden Hegele moderates. Heyman Center, Columbia University, 6pm.

New Events: Spring 2018

We're delighted to announce two Spring series — “A Medical Humanities Film Series” and a second iteration of the “Explorations in the Medical Humanities” lecture series. Check back to our Events page to learn more about this upcoming *Medical and Health Humanities* programming and to see other affiliated events!
